Due to the technical nature of this amendment, it will be available in ENGLISH Only.

Amendment 001 is raised to incorporate the following.

1. Volume of material on Profile A of Drawing CO1 below the "Pay Limit for Excavation" line but above the "New Ground Profile" line (volumes outlined in red below) is to be included in the price per unit rate for Excavation and Disposal (m^3) in Appendix 1-Combined Price form of the Invitation to tender document. The "Pay Limit for Excavation" line should follow the "New Ground Profile" line where they intersect. The Contractor will not be paid for any excavation and backfill beyond the "Pay Limit for Excavation" line.

Profile A from Drawing CO1 – Not to Scale

2. Any agreement to access, cross, or otherwise use or disturb adjacent land shall be the responsibility of the Contractor. Any restorative work and associated cost shall likewise be the responsibility of the Contractor.
3. To complete the culvert installation, the Contractor must have a Certified Watercourse Alteration Installer.

All Other Terms and Conditions Remain the Same.
