This Amendment 001 is being raised to answer a question that was received in response to the Request for Proposal and to amend Annex A – Statement of Requirement:

Question and Answer

- Q.** I can only identify 2 of the NSN numbers on the solicitation, can I still offer a quote if I can only quote 2 of the 3 items?
- A.** Yes, as per article 3.1 (Bid Preparation Instructions, Pricing - Multi-Item Bid Solicitation), bidders do not have to quote a price for all items identified in the bid solicitation. However, Bidders must quote a price for all items with identical NATO Stock Numbers in order to be evaluated. Bidders may withdraw one or more items from their bid, after bid closing but prior to contract award, by advising in writing the Contracting Authority.

Additionally, as per article 4.2 (Basis of Selection – Mandatory Technical Criteria), the responsive bid with the lowest evaluated price per NATO Stock Number will be recommended for award of a contract.
