Annex A

Bidders wishing to submit their bid by the closing date, time and at the closing location indicated in the Invitation To Tender Notice of solicitation number FP802-170135 or if so applicable, indicated in previous addendum(s), must also consider the following questions and answers in their bid.

Question and Answer number 8, 9 & 10

Question #8

On the plan QE61300-A101-CL, there is a reference to « Contact pour le terrain en avant du feu postérieur : Serge Arcan 418-208-8485 ». When we dial this number, it is a message like « You have reached Benoît... ». Please clarify?

Answer #8: The person to be reached is Jacques Trottier, president of Association touristique de Deschambault-Grondines 418 268-5212

Question #9

The property limit shown on plan QE35690-S01_05 appears to be very narrow considering the work to be done and the temporary tower to be installed. Please clarify the agreements that the ministry made with the owners of the neighboring land in regard to the use of the premises during the works?

Answer #9: The Department notified the municipality of Deschambault-Grondines and the Deschambault-Grondines Tourist Association of the upcoming replacement of the Pointe des Grondines FP tower. However, it is the responsibility of the Contractor to enter into an agreement with the landowners for the use of land adjacent to the Department's property during the work.

Question #10

Would it be possible to make an extension on the closing date?

Answer #10: The closing date is extended to August 21, 2017 at 2:00pm (EDT).
