This Amendment #003 is raised to address questions.

Questions and Answers

Q1. For AHU 5 they would like blower and motor changed FVR believes we can achieved spec results by changing motor to 20 HP on VFD without changing the blower can you ask consultant if he is okay with just changing motor and adding VFD. Refitting new blower would almost require AHU apart and enlarging housing.

A1. NO CHANGES TO DESIGN AT THIS STAGE. OUR DESIGN WAS COORDINATED WITH ORIGINAL UNIT MANUFACTURER.

Q2. Is all duct cleaning only in Building B?

A2. YES

Q3. Are Air handlers to be cleaned?

A3. YES

Q4. Is escort required for project and if so who pays

A4. Not part of contractor scope. Contractor to adhere to use of premises outlined in Section 01 11 00, 1.6.

Q5. Can all work be done during regular work hours including duct cleaning?

A5. All work that does not adversely impact building occupants may be completed during regular working hours. Construction to adhere to outlined Work Sequence in Section 01 11 00, 1.5. Noise levels to be maintained as per Section 01 14 00, 1.4.

Q6. During site meeting I believe it was indicated no special protocols were required in clean room, am I correct in this?

A6. Construction to proceed as outlined in drawings and specifications.

Q7. Do the two warehouse exhaust systems need to be cleaned?

A7. YES

Q8. The fume hoods to be retrofitted at PESC were manufactured prior to 1995. I believe the current testing standards are ASHRAE 110-1995 and recently updated in 2016 and PWGSC MD 15128-2013. If specs are followed will these fume hoods meet these standards?

A8. The testing of fume hoods to be as per Specifications Section 23 38 16.13. The result of the testing to be documented and presented to the Departmental Representative and the laboratory manager. No further action is required for the fume hoods that may fail.

Q9. On drawing A-200 item D could you clarify mesh quality and sizes of perforations?

A9. As per previously issued Addendum 1.

Q10. Our subtrades are requesting additional site visit and additional time for tender. Can you please let me know if a site visit is acceptable and if a tender extension will be granted.

A10. Additional site visit can be coordinated directly with Nik at nikolas.fehr@canada.ca. Please remember that there will be no questions addressed at the site visit. All questions must go through the Contracting Authority Janie.Leung@pwgsc.gc.ca. The tender has been extended to August 28th, 2017.

All other terms and conditions remain unchanged.
