The Request for Proposal (RFP) Amendment 010 is raised to answer Bidders' questions and amend the RFP.

Question 30:

- a. Attachment 4.1, Workstream 1, M.1 (c) & Amendment 002, Question/Answer 6 – Our experience has been Clients have utilized the TBIPS category B.3 Business Consultant similarly to that of a B.1 Business Analyst. Given that both resource categories require experience with the development, analysis and evaluation of business processes, performance measurements, interaction with project stakeholders and the identification/evaluation of organization requirements, objectives, will the Crown accept the TBIPS category B.3 as equivalent to B.1 thus allowing Bidders to list the TBIPS category (as provided for in Amd 002 Answer 6)?
- b. Can the crown please confirm that we may use a TBIPS category with a different name, as long as we can prove the resource completed 50% of the tasks from Annex A Statement of Work.

Answer 30:

If the Bidder is using TBIPS contracts to demonstrate experience, listing the TBIPS resource categories will suffice if the resource categories used to demonstrate are the same as the resource categories required in the solicitation as listed in the table above. For other contracts, the work delivered under each resource category must include at least 50% of the associated tasks listed in Annex A - Requirements for Services of TBIPS SA EN578-170432 for that Resource Category. See RFP amendment below.

Question 31:

For Workstream 1.1 Business Management, would the crown consider adding a Level 3 Business Continuity /Disaster Recovery Specialists or modifying the current Level 2 to a Level 3 for this role.

Answer 31:

No.
