## **PART 1 – GENERAL INFORMATION**

The bid solicitation is divided into seven parts plus attachments and annexes, as follows:

Part 1 General Information: provides a general description of the requirement;

Part 2 Bidder Instructions: provides the instructions, clauses and conditions applicable to the bid solicitation;

Part 3 Bid Acceptance and Form: provides the bidder the form to submit their bid and includes the clauses and conditions that will apply to any resulting contract.

The Annexes include the Statement of Work the Basis of Payment and any other annexes.

### **Summary**

The Correctional Service Canada requires the service of a certified and qualified contractor to remove existing return air grilles in every cell (including observation, hospital, etc. in the unit) and supply and install an S or V type return air grille, ligature resistant cover that meets and complies with the ASTM F2542–05[1] physical assault test, as outlined in the TCD Chapter A-11 Inmate Cells, Section 6.4 Ventilation Grilles as well as Chapter M-4 HVAC – Section 6.2.3.

### **Debriefings**

After contract award, bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days of receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

### **Bid Security**

For solicitations requiring Bid Security, the following conditions apply:

- Bid security is to be in the form of a bid bond or a cash security deposit in an amount equal to 10% of the tender amount. The original bid bond must accompany the bid.
- A Bid Bond must have original signatures and be issued by a company that is acceptable to the Government of Canada.
- A security deposit must be in the form of cash, a certified cheque, a bill of exchange, bank draft or money order payable to the Receiver General for Canada, or a bond issued by or guaranteed by the Government of Canada.
- The contractor awarded the contract must then replace bid security with a labour and material payment bond and a performance bond or other acceptable contract security.

### **Bid and Acceptance Form**

CSC uses the Bid and Acceptance Form for all construction contracts valued at \$40,000 or over.

---

- The contract documents are listed in the Bid and Acceptance Form.

### **Insurance**

The scope of insurance coverage required is determined using forms from the Insurance Bureau of Canada (IBC) with riders for additional risks.

- Before beginning the work, contractors must provide a certificate of insurance proving that they are insured, and this must be done no later than 30 days after acceptance of their bid.
- The amount of any deductible is left to the discretion of the contractor and its insurer.

### **Workers Compensation Board and Safety Program:**

The recommended Tenderer shall provide to the Contracting Authority, prior to Contract Award:

- a Workers Compensation Board letter of good standing, also listing covered Directors, Principals, Proprietor(s) or Partners who will be or will be or who are anticipated to be present on the work site(s); and
- a Certificate of Recognition (COR) or Registered Safety Plan (RSP) acceptable to the Authority Having Jurisdiction (AHJ). A health and safety policy and program, as required by the respective provincial/territorial Occupational Health and Safety Act, will be acceptable in lieu of a COR or RSP. If none is required by law, a copy of a health and safety policy and program that has been sent to the AHJ for review will also be acceptable, provided that the recommended Tenderer certifies that it has been sent to the AHJ.

The recommended Tenderer shall deliver all of the above documents to the Contracting Authority on or before the date stated (usually 3 to 5 days after notification) by the Contracting Authority. Failure to comply will result in a breach of promise, at which time the Contracting Authority will be free to approach the next lowest responsive Tenderer.

## **PART 2 – BIDDER INSTRUCTIONS**

### **Bid Documents:**

The following are the bid documents:

- Invitation to Tender - Page 1;
- Special Instructions to Bidders;
- General Instructions to Bidders R2710T (2010-08-16) and;
- Bid and Acceptance Form and any Appendices attached thereto.

**Submission of a bid constitutes acknowledgment that the Bidder has read and agrees to be bound by these documents.**

### **General Conditions and General Instructions:**

General Instructions to Bidders are incorporated by reference and is set out in the Standard Acquisition Clauses and Conditions (SACC) Manual, issued by Public Works and Government Services Canada (PWGSC). The SACC Manual is available on the PWGSC Website: <http://sacc.pwgsc.gc.ca/sacc/index-e.jsp>.

### **Exceptions to General Conditions and General Instructions to Bidders incorporated by Reference:**

Delete reference to “Public Works and Government Services Canada” and substitute “Correctional Service Canada”.

### **Bid Submission:**

Bids must be submitted only to CSC Bid Receiving Unit by the date, time and place indicated on page 1 of the bid solicitation.

Bids are to be directed only to the bid receiving address specified above. Correctional Service Canada (CSC) will NOT assume responsibility for bids directed to any other location. **(Canada Post Priority Courier is not considered a Courier)**

### **Enquiries During the Solicitation Period:**

Enquiries regarding this bid must be submitted in writing to the Contracting Officer named on the Invitation to Tender - Page 1 as early as possible within the solicitation period. Except for the approval of alternative materials as described in GI15 of the General Instructions to Bidders, enquiries should be received no later than **five (5)** calendar days prior to the date set for solicitation closing to allow sufficient time to provide a response. Enquiries received after that time may not result in an answer being provided.

To ensure consistency and quality of the information provided to Bidders, the Contracting Officer shall examine the content of the enquiry and shall decide whether or not to issue an amendment.

All enquiries and other communications related to this bid sent throughout the solicitation period are to be directed ONLY to the Contracting Officer named on the Invitation to Tender - Page 1. Non-compliance with this requirement during the solicitation period can, for that reason alone, result in disqualification of a bid.

### **Mandatory Site Visit:**

There will be a **Mandatory site visit on September 19, 2017 at 13:00**. Interested bidders are to meet at Joyceville Institution main entrance.

The site visit for this project is **MANDATORY**. The Contracting Authority **must be notified** by September 14, 2017 before 10:00 of any persons wanting to attend this visit.

**PLEASE NOTE: A portion of this building is under construction and all visitors are required to have personal protective equipment (PPE)**

### **Revision of Bid:**

A bid may be revised by letter or facsimile in accordance with GI10 of the General Instructions to Bidders. This must be submitted to the Contracting Officer.

### **Negotiations:**

In the event that the lowest compliant tender exceeds the amount of funding Canada has allocated for the construction phase of the work:

by 15% or less, Canada, at its sole discretion, shall either

1. Cancel the tender call;
2. Obtain additional funding and, subject to the provisions of clause 11 of the General Instructions to Bidders, award the Contract to the Tenderer submitting the lowest compliant tender; or
3. Revise the scope of the work accordingly and negotiate, with the Tenderer submitting the lowest compliant tender, a corresponding reduction in its tendered price.

by more than 15%, Canada, at its sole discretion, shall either

1. Cancel the tender call;
2. Obtain additional funding and, subject to the provisions of clause 11 of the General Instructions to Bidders, award the Contract to the Tenderer submitting the lowest compliant tender; or
3. Revise the scope of the work accordingly and invite those who submitted compliant tenders at the original tender call to retender the work.

If negotiations or a re-tender are undertaken, Tenderers shall retain the same subcontractors and suppliers as they carried in their original tender submissions.

If Canada elects to negotiate a reduction in the tendered price and the negotiations fail to reach an agreement, Canada shall then exercise either of option 3.

**Bid Validity Period:**

Canada reserves the right to seek an extension to the bid validity period prescribed in BA04 of the Bid and Acceptance Form. Upon notification in writing from Canada, Bidders shall have the option to either accept or reject the proposed extension.

If the extension referred to in paragraph 1 of Bid Validity Period is accepted, in writing, by all those who submitted bids, then Canada shall continue immediately with the evaluation of the bids and its approvals processes.

If the extension referred to in paragraph 1 of Bid Validity Period is not accepted in writing by all those who submitted bids then Canada shall, at its sole discretion, either

- Continue to evaluate the bids of those who have accepted the proposed extension and Seek the necessary approvals; or
- Cancel the invitation to tender.

**The provisions expressed herein do not in any manner limit Canada's rights in law or under GI11 of the General Instructions to Bidders.**

## ANNEX "B"

**Project Name:** Return Air Grille Replacement

**Project Number:** 421-3705-0

**Institution:** Millhaven Institution

**Requisition:** 2068327

### **Objective**

The Correctional Service Canada requires the service of a certified and qualified contractor to remove existing return air grilles in every cell (including observation, hospital, etc. in the unit) and supply and install an S or V type return air grille, ligature resistant cover that meets and complies with the ASTM F2542–05[1] physical assault test, as outlined in the TCD Chapter A-11 Inmate Cells, Section 6.4 Ventilation Grilles as well as Chapter M-4 HVAC – Section 6.2.3.

### **Background**

This has been flagged as a health and safety concern as the current return air grilles are not ligature resistant and do not currently meet Technical Criteria

### **Scope of Work**

- Contractor shall remove existing return air grilles and install an S or V type return air grille, ligature resistant cover that meets and complies with the ASTM F2542–05[1] physical assault test, as outlined in the TCD Chapter A-11 Inmate Cells, Section 6.4 Ventilation Grilles as well as Chapter M-4 HVAC – Section 6.2.3
- New grilles shall be sleeved and fastened into existing ductwork.
- Contractor shall apply security caulking around the new grilles
- Contractor shall provide all necessary fasteners.
- Contractor shall verify all dimensions
- All material shall be new

### **Delivery and Security**

Contractor considerations:

- All employees entering the facility shall report to the main entrance and pass through all security devices and screening before reporting to the identified work area.
- When assembling at the main entrance they will be provided with an escort that will be with them at all times during the installation process.
- At any time a corrections officer may require a contractor's employees to submit to a search if deemed necessary by a corrections officer.
