This Amendment 005 is issued to:

1. Issue the responses to the following Enquiries:

No.	Enquiry	Response
015	<p>As per Appendix C, Section F.1 Capacity, Submission Requirements; copies of annual audited financial statements and the notes to the financial statements, or other similar financial information, for each of the last three fiscal years, are to be provided for each anticipated Prime Member and Equity Member Guarantor.</p> <p>The Procurement Authority is requested to clarify whether, if a Prime Member's financial performance is consolidated as part of its Parent Company's Annual audited Financial Statements that the Parent Company Financial Statements alone, are sufficient to meet the requirements of the stated RFQ reference.</p>	<p>Yes, if a Prime Member's financial performance is consolidated as part of its Parent Company's Annual audited Financial Statements, said Parent Company's financial statements are sufficient to meet the submission requirements for the following item:</p> <p>"Copies of annual audited financial statements and the notes to the financial statements, or other similar financial information, for each of the last three fiscal years (entire annual reports should not be provided)".</p>
016	<p>Section 1.3 of the RFQ makes reference to a budget of \$440 million for the replacement of border infrastructures across the country indicating that this project will address the first phase of infrastructure renewal. Could you please clarify if the budget referred above will be used entirely for this first phase or on the contrary for the entire replacement of the POEs that are approaching the end of their expected life span.</p>	<p>The budget of \$440 million is solely for the Land Border Crossing Project as covered by this RFQ.</p>
017	<p>Section 3.6 (c) requests:</p> <p>"Use 8.5 x 11 inch (216 mm x 279 mm) non-glossy paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content, unless otherwise specified or permitted in Appendices B and C;"</p> <p>In our research we have been able to find:</p> <ul style="list-style-type: none"> • EcoLogo and Forest Stewardship Council (FSC) Certified paper with 100% post-consumer fibre; and, • Sustainable Forest Initiative (SFI) Certified paper with no confirmation on post-consumer fibre content. <p>Would the Procurement Authority please advise if either of these would be acceptable and change the requirement as set out in Section 3.6 c) or provide a</p>	<p>Section 3.6 indicates that "Respondents should follow the format instructions below in the preparation of their hard and electronic copy Responses." These guidelines will not be evaluated as mandatory criteria.</p>

	brand which meets the requirement.	
018	<p>Can the Agency please provide more detail on the roles and responsibilities they envisage for the 'Security Manager'?</p> <p>Is the role envisaged as a 'Data Security Manager', 'Security Systems Manager' (i.e. responsible for design of CCTV, ACIDS and other security systems), or more of an operational role responsible for oversight of data security or security systems maintenance?</p>	<p>The role envisaged for the Security Manager is to be responsible for the design of the integrated CCTV system, access control and intrusion detection systems, and other security systems, as well as the successful migration of functions between the above existing systems, temporary system and new systems.</p>
019	<p>The Evaluation Criteria for the Financing Key Individuals states that project used should have secured financing and achieved financial close within the last 5 years.</p> <p>Can the Agency please extend this to 8 years as some proponents may have more projects that are directly relevant to the Land Border Crossing Project and that have achieved financial close more than 5 years ago?</p>	<p>Please see Section 2.1 of this Amendment 005.</p>
020	<p>In Section B1: Experience, the Procurement Authority is requesting that we "... submit three (3) comparable building design project examples demonstrating the Design Prime Member's experience where the Prime Team member was primary design service provider, and where the design work was completed within the past ten (10) years from the closing date of this RFQ".</p> <p>Typically the elements of the design work are assigned to different parties based upon their respective expertise (civil, structural, mechanical, electrical and architectural), each of which would be considered a Design Prime Member under the definitions in the RFQ.</p> <p>Please clarify that the Procurement Authority is requesting three (3) experience/examples projects for each party that would be considered a Design Team Members.</p>	<p>Please refer to Amendment 004, Section 2.18 for the updated definition of the Design Prime Member.</p> <p>Please see Section 2.2 of this Amendment 005.</p>
021	<p>Item (g) of the Financing Prime Member Project Experience asks for the experience in Project Substantial Completion financing and date (original and final, including a brief description of any variance between the two).</p> <p>Could you please clarify if you are referring to the financing of the project substantial completion payment, as mentioned in the evaluation criteria of section F.2,</p>	<p>Please see Section 2.5 of this Amendment 005.</p>

	Financing Prime Team Experience. Otherwise, please indicate what you mean by Project Substantial Completion financing.	
--	--	--

2. Modify the Request for Qualifications document identified as "ABES.PROD.PW__NB.B002.E73122.EBSU000.PDF" for file number 47419-187064/A issued July 14, 2017 as follows:

2.1. Replace the following text from the Evaluation Criteria of F.3 Key Individuals:

7. Secured financing and achieved financial close within the last 5 years.

with the following:

7. Secured financing and achieved financial close within the last 10 years.

2.2. Replace the fourth line of Table B. – Design Capability and Experience of Appendix C with the following:

1. Using Form C-2 provided in Attachment 1 of Appendix C of this RFQ, submit three (3) comparable building design project examples demonstrating the Design Prime Member(s)'s experience where the Prime Member(s) was (were) the primary design service provider, and where the design work was completed within the past ten (10) years from the closing date of this RFQ, with at least one (1) example for each Design Prime Member.
2. The design of the project examples must be completed and, at a minimum, the facilities must be in construction.

2.3. Replace the fourth line of Table D. – Facility Operations Capability and Experience of Appendix C with the following:

3. Using Form C-4 provided in Attachment 1 of Appendix C of this RFQ, submit three (3) project examples from within the past ten (10) years from the closing date of this RFQ, demonstrating the Facility Operations Prime Member(s) experience, with at least one (1) example for each Facility Operations Prime Member.
4. The reference projects presented must have been delivered by the Facility Operations Prime Member(s) of the Respondent Team assuming responsibility and liability for the provision of those services. These services must have been provided internally or through its own managed sub-contracts, where the Prime Member(s) assumed full responsibility and liability for the provision of those services.

2.4. Replace the fourth line of Table E. – Information Technology (IT) and Specialized Equipment Capability and Experience of Appendix C with the following:

Using Form C-5 provided in Attachment 1 of Appendix C of this RFQ, submit at least three (3) comparable project examples demonstrating the Information Technology (IT) Prime Member(s)'s experience in design, provision, and maintenance and support, and where the IT systems commenced being in operation within the past five (5) years from the closing date of this RFQ, with at least one (1) example for each IT Prime Member.

2.5. Replace Form C-6 – Financing Prime Member Project Experience with the following:

FORM C-6 - FINANCING PRIME MEMBER PROJECT EXPERIENCE

- (a) Project name
- (b) Status of the project
- (c) Location of project (City, Province/State, Country), climate and setting
- (d) Name of the client and client reference
- (e) Project Delivery (D/B, DBFOM, DBFM, etc.)
- (f) Total capital budget (original and final, including a brief description of any variance between the two)
- (g) Financing Prime Member name(s) and Key Individuals
- (h) Date of financial close
- (i) Project Description including type of assets financed, type and amount of financing raised (including the term, financial instruments used, capital structure, any innovations or variations from the normal financing) and project capital cost in nominal dollars and total project cost in present value dollars
- (j) Relevance to the past project to this Project, including if there was a regime of performance indicators linked to the payment mechanism
- (k) Financing Prime Team Member(s)'s role
- (l) Any further information that will assist in evaluating the Response in line with the evaluation criteria

END OF AMENDMENT
