Amendment #5

THE PURPOSE OF THIS AMENDMENT IS TO PROVIDE DETAILS TO THE TECHNICAL SPECIFICATIONS AND THE TENDER SCHEDULE.

1. YOU MUST CONSIDER THE INFORMATION IN ADDENDUM BELOW, LOCATED IN THE ATTACHMENTS SECTION, IN THE EVALUATION OF YOUR BID.

645791_Addendum No 3_2017-08-30.pdf

2. APPENDIX 1, 645791 - TENDER SCHEDULE - Revision 3

This amendment replaces Appendix 1 in its entirety. Tender Schedule Revision 3 must be used in your bid to be deemed admissible. Bids submitted using the initial Tender Schedule, Tender Schedule Revision 1 or Tender Schedule Revision 2 will be evaluated as non-compliant.

Q3. Hello, we have a question on the method of payment of soil contaminate section 01 35 43 article 1.6. (Addendum 1)

You state in the invitation to tender that contaminated soil from trenches that cannot be reused will be characterized and disposed of to the authorized sites. In this kind of work we should find the list of items with soil classification in the Tender Schedule, as well as quantities estimated to be able to provide a price, can you clarify this requirement.

A3. Refer to addendum 3 and Tender Schedule Revision 3.

Q4. We would like to know from you whether, with the lighting units, there should be door banners included on each of them as shown on the drawing and not indicated elsewhere in the specifications or the tender schedule. We have just received the manufacturer's prices and there are no such door banners included in its price; are they really required?

A4. Refer to addendum 3.

Q5. In the trench between the lampposts and according to the legend of drawing E01, the symbol - - - - indicates 2 conduits PVC 53mm diameter while the tender schedule represents only one conduit. Which is exact?

For the existing units, note 5 in the drawing states, remove and dispose offsite the lampposts and the concrete bases. The specification 'description payment' says to deliver to Parks Canada. Which is exact?

A5. Article 2.10 of the tender schedule revision 3 includes the disposal of the concrete bases by the contractor. It's not Parks Canada intention to recover the concrete bases.

At article 2.9 of the tender schedule revision 3, it's Parks Canada's intention to recover 30 existing street lamps in good shape (post, davit, light fixture), round base model, to be delivered to the Lachine workshop. The contractor should dispose of the other street lamps.

THE BID CLOSING DATE IS EXTENDED TO TUESDAY, THE 5TH OF SEPTEMBER 2017, 2PM EDT.

End of section.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

**Signed copy of this amendment should accompany each tender. If your tender has already been submitted please sign and fax the amendment along with any revisions to tender price, to this office before the close of Tender.
Fax: 418 649-6971.**
