*The above Firm Per Diem Rates will be increased on an annual fiscal year basis using the corresponding rate increases in the Canadian consumer Price Index.

The quantities and categories of personnel identified in this table are to be included in the Total Bid Amount but will not be included in the total contract award value. They are for evaluation purposes only and will not be interpreted by the Bidder to be a commitment by Canada to request the services.

Per Diem rates (inclusive of payroll costs, overhead and profit) represent a full 8 hour work day. The Bidder's Per Diem rates, will be used to derive the Bidder's Hourly Rates (Bidder's Per Diem rate divided by 8 hours). Payment for any additional services or personnel will be based on the hourly rate and paid on the basis of actual hours worked.

In order to ensure that fair and competitive rates are received for each of the category of personnel the following requirements must be adhered to:

- The Bidder must provide a rate for each category of personnel;
- The rate for any given listed category of personnel cannot be \$0.00 or nil value;
- The hourly rates must reflect the level of experience for each of the listed category of personnel. For example, if an hourly rate for personnel at the intermediate level exceeds the hourly rate for personnel at the senior level in the same category both hourly rates will be deemed not to reflect the appropriate level of experience. Failure to comply with this subparagraph may render the bid non-compliant.

2. Canada may reject the bid if any of the prices submitted, including the per diem rates supplied under, do not reasonably reflect the cost of performing the part of the work to which that price applies.
3. In conducting its evaluation of the bids, Canada may, but will have no obligation to, correct any error in the extended pricing of bids by using unit pricing and any error in quantities in bids to reflect the quantities stated in the bid solicitation; in the case of error in the extension of prices, the unit price will govern.

BA04 BID VALIDITY PERIOD

1. The Bid will not be withdrawn for a period of Thirty (30) days following the date of solicitation closing.

BA05 ACCEPTANCE AND CONTRACT

1. Upon acceptance of the Contractor's Bid by Canada, a binding Contract will be formed between Canada and the Contractor. The contract value will be determined in accordance with amounts bid for items BA 03 (a) + (b) + (c) and (d) (All Applicable Taxes excluded).

BA06 CONSTRUCTION TIME

1. The full scope of work is to be completed within thirty (30) months from contract award.

BA07 BID SECURITY

1. The Bidder will enclose bid security with its BID in accordance with GI06 Bid Security Requirements.
