

APPENDIX "A"

EVALUATION CRITERIA

**MANDATORY CRITERIA:**

Construction Bid Submissions will be evaluated in accordance with the mandatory evaluation criteria, as specified below. Bidders' Construction Bid Submission must clearly show and provide the necessary documentation to support compliance with these requirements in order to move on to the next stage. (Total Bid Amount / Pricing)

**Bids which fail to meet all of the mandatory criteria will be declared non-responsive and their tender price not opened. Each mandatory technical criterion should be addressed separately.**

The Bidder must include the following table in their Technical Construction Bid Submission, indicating that their Bid Submission meets the Mandatory Criteria, providing the page number and section that contains information to verify that the criteria has been met or insert the information within the table.

**Technical Construction Bid Submissions that do not meet the mandatory criteria will be deemed non-compliant.**

**\*\*ENSURE TO PROVIDE THE MANDATORY CRITERIA IN A SEPARATE ENVELOPE OR EMAIL ATTACHMENT THAN OF THE CONSTRUCTION TENDER FORM.**
