Tender Addendum #1

National Gallery of Canada

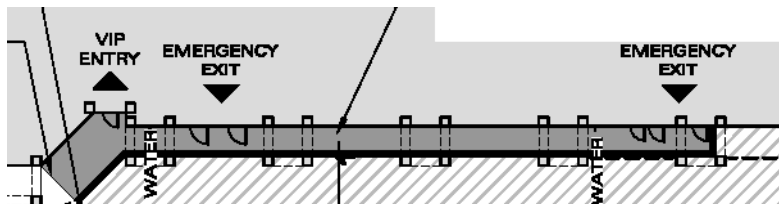

Temporary Works Phase 3 – Colonnade and Main Entrance
window and roof replacements

August 30, 2017

Dear Sirs,

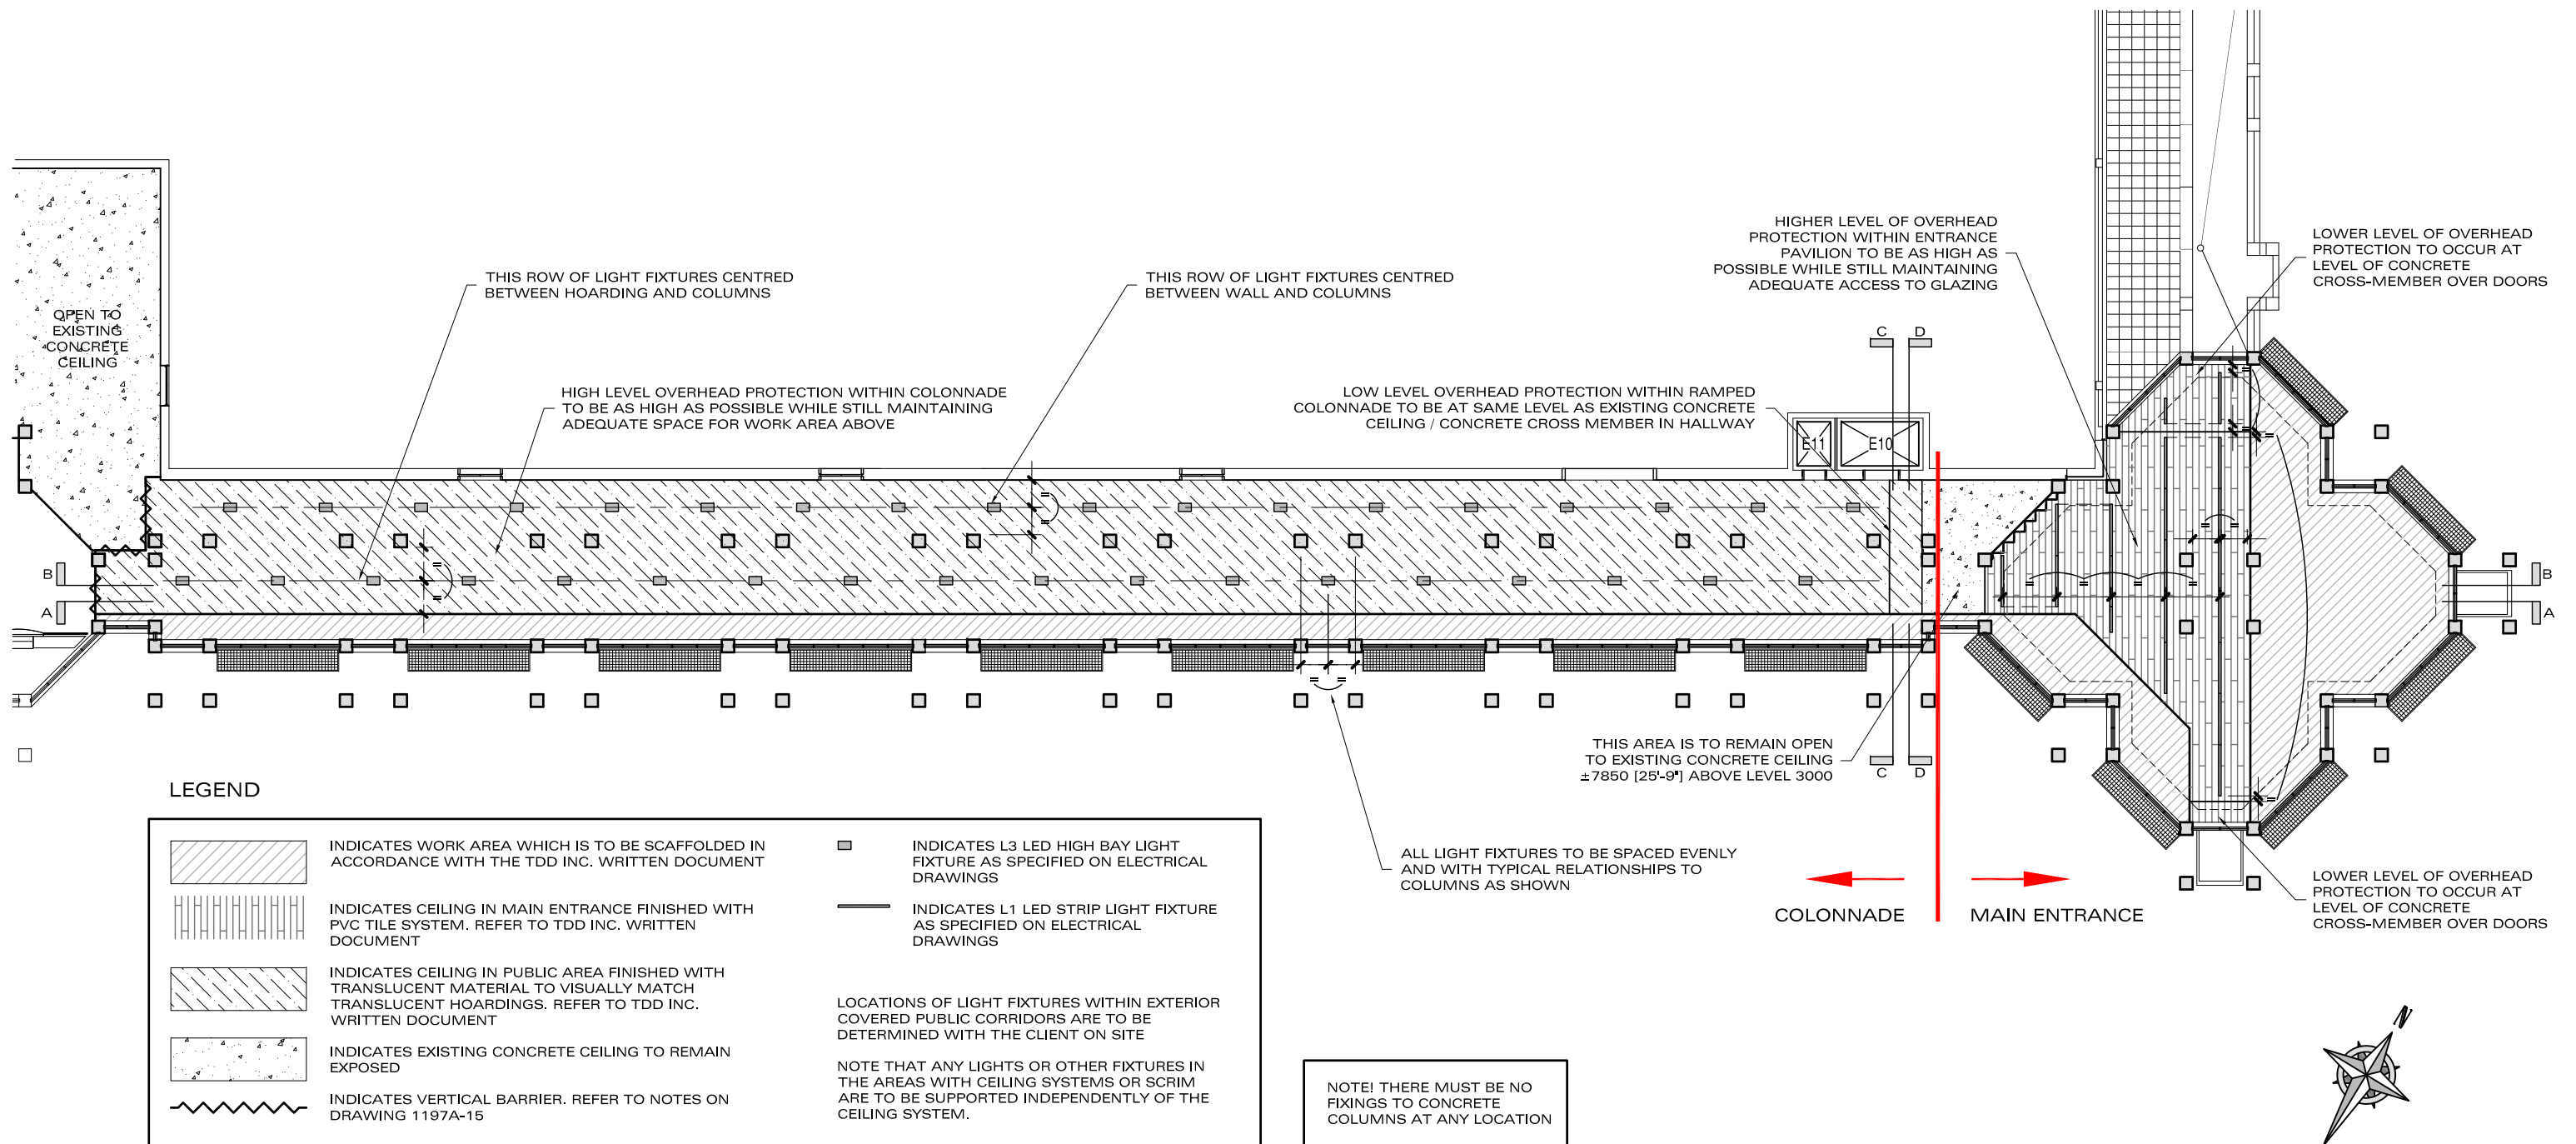

Please allow in your price for the following items:

1. TDD Inc drawing 1197-21'C' (attached)
2. The south-west covered public corridor for emergency exiting (as shown below) is to be excluded from the aesthetic requirements of section 2.1.4. in the TDD Inc General Design Requirements document. This corridor shall be used for emergency exiting purposes only and is permitted to be separated from the adjacent construction zone with exposed construction fencing or similar, ie no plywood hoarding is required. All structural requirements for overhead protection still apply.

In your tender return please confirm that the contents of this addendum have been included by referencing the addendum number.
