

This Solicitation Amendment 001 is raised to:

1) Answer (A) the question (Q) received as follows

Q1: Are drawings, or detailed specifications that can be forwarded to me regarding these expansion joint bellows? A separate description per part would be fantastic.
Looking up the NSN on database does not provide enough insight. The original CAGE suppliers/manufacturers will not give out part descriptions. For lines 1 thru 4 as per Annex B

A1: Directorate of Maritimes is not at liberty to release due to Intellectual Property Rights

2) Please note that the Directorate of Maritimes is not at liberty to release drawings for the other line items due to Intellectual Property Rights

3) Update the bid receiving unit.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
