DELIVERABLES / SCOPE OF WORK

The scope of work consists of the furnishing of all plant, labour, equipment, and material for basin dredging at Sandy Cove, NL, in strict accordance with the accompanying specifications and drawings, and subject to all terms and conditions of the Contract.

The project work will consist of, but will not necessarily be limited to, the following:

- Dredging of approximately 600 cubic metres (m3) of Class “A” and Class “B” material and disposal at a Service NL approved waste site.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure, and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies, and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification Section 01 35 29 – Health and Safety Requirements before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES

The services of the Contractor will be commencing upon contract award. The expected completion date of this project is **November 30, 2017**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is **\$2,000,000.00** per occurrence. All tenders **must** be accompanied by confirmation from the tenderer’s insurance company that the required insurance will be available upon contract award;
- The tenderer must provide tender security, at the tenderer’s own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.
