Industry Working Group Sessions
In-Service Support of the *Halifax*-class Combat Systems (HCCS)
Amendment no. 019

Based on Industry Feedback received at the first HCCS Working Group Session on 26 September 2017, Canada has decided to modify the format of the second HCCS Working Group Session planned for 12 October 2017.

Canada will present the bid evaluation plan in the morning. Rather than having a breakout session in the afternoon, Canada will instead hold one-on-one sessions (one hour each) to collect industry feedback on the bid evaluation plan. These one-on-one sessions will be held on 12 October 2017 and on 16 October 2017 at the following locations:

12 October 2017

Place du Portage, Phase IV, Papineau Room
140 Promenade du Portage – Level 0
Gatineau, Québec K1A 0S5

16 October 2017

455 boul. de la Carrière
Gatineau, Québec
J8Y 6V7

The presentation, including questions for industry to address during the one-on-one session, will be available on buyandsell.gc.ca next week.

Please contact the Contracting Authority by **4 October to register for the Working Group Session and a One-on-One session if interested**. Priority for one-on-one sessions on 12 October will be given to those companies that need to travel to attend the morning presentation.
