Project Description / Description de projet Solicitation No. 17-22066: Furniture for the National Research Council U-72 Uplands		
Solicitation No./ N° de sollicitation 17-22066	Project No./N° de projet	W.O. No./N° d'ordre de travail
Departmental Representative / Représentant Ministériel Steve Cassidy	Date Sept. 26, 2017	
<p>Questions:</p> <ol style="list-style-type: none"> 1. The closing date on the Buy and Sell website shows October 6th, 2017 at 5:00pm. However, the closing date in the bid documents read October 5th, 2017 at 2:00pm. Could you please confirm the closing date? 2. You are requesting laminate, B/B/F with a cushion top and in past pedestals have been requested in steel. Not only are they more durable but they are less expensive. Is this an aesthetic preference and perhaps then laminate fronts only, still more expensive, would suffice? at least the construction of the ped is far more durable. 3. The other thing is the pedestal configuration. By requesting a BBF with a cushion top this would be too high to go below a standard desk height(where people typically want them out of the way when mobile). I would recommend a steel mobile Box/File with cushion. Or just B/B/F no cushion. 4. For the storage cabinets once again they are asking for laminate and can this be steel, or steel with laminate front 5. Will the shipping locations be able to accommodate a 53 foot trailer for the 	<p>Answers:</p> <ol style="list-style-type: none"> 1. The closing date is October 5th, 2017 at 2:00pm 2. Steel is acceptable 3. Box/Fil with Cushion to go under the work surface please 4. Laminate front with steel is acceptable, we would like the laminate present for aesthetic for sure. 	

<p>delivery of the goods? If not, what is the maximum truck length the location can accommodate?</p> <p>6. Could you please confirm if installation is for each category is during normal or outside hours?</p>	<p>5. No unfortunately the shipping location will not accommodate a 53 foot trailer. The basic size of a 5 ton truck is required to make the turn in to the shipping/receiving area of the building.</p> <p>6. Regular business hours</p>
