**Part 1.0 All Inclusive Hourly Rate.**  
Bidders must fill in the light blue fields with a fully loaded hourly rate for each position identified on the sheet. The rate must include the cost of direct labour, overhead, general and administrative costs (G&A) and profit.

**Part 2.0 Monthly Management Fee**  
The Bidder must fill in their Monthly Management Fee for the first six (6) years of the HCCS ISS contract. The Monthly Management Fee must include the cost of direct labour, overhead, general and administrative costs (G&A) and profit.

**Part 3.0 Monthly Materiel Management Fee**  
The Bidder must fill in their Monthly Materiel Management Fee for the first six (6) years of the HCCS ISS contract. The Monthly Materiel Management Fee must include the cost of direct labour, overhead, general and administrative costs (G&A) and profit. The Monthly Materiel Management Fee must include all costs related to Section 5.9 Materiel Management of the PWS excluding the actual Repair and Overhaul costs, but including the management of the repair and overhaul activities.

**Part 4.0 Markup on Subcontractor Cost**  
The bidder must fill in their markup (as a percentage) on subcontractor costs valued at less than \$100k, between \$100k and \$1M and more than \$1M.
