**Subject: LETTER OF INTEREST (LOI)
Construction Services Africa: Blast Mitigation Security Film/Catchment**

Her Majesty the Queen in right of Canada, represented by the Minister of Foreign Affairs, is seeking to identify organizations interested and capable in providing construction services to upgrade the exterior window blast mitigation at **three specific locations in Africa**. The construction services required are for the installation of security window film / catchment systems.

If responses received from this LOI indicate that such a capability and interest exists, the Minister may solicit proposals by means of a Request for Proposals (RFP) or a Request for Supply Arrangement (RFSa). It is possible that organizations that did not respond to this LOI, may not be invited to submit Proposals..

Organizations capable and interested are to provide a minimum of 2 examples of installed fenestration blast mitigation systems completed within the last 5 years. Responses may be in the form of existing material (resumes, brochures, corporate profiles, reference letters, etc.), proponents are to provide a response to the Email shown below no later than October 17th, 2017.
