

Notice of Proposed Procurement (NPP)

Department of Foreign Affairs, Trade and Development Canada (DFATD)

Title of Requirement

Project: Mechanical-electrical systems upgrades
Services required: Construction
Location: Canadian Embassy at Rabat (Morocco)

Description of the requirement

Her Majesty the Queen in right of Canada, represented by the Minister of the Department of Foreign Affairs, Trade and Development Canada (DFATD), is seeking to identify construction firms capable and interested in performing a construction project related to the Mechanical and Electrical systems upgrades to the existing mission.

The project consists of modifying existing the Mechanical and Electrical systems including the fire protection system to ensure their conformity with current laws and standards.

ONLY Canadian consultants firms that meet the following mandatory requirements and demonstrate an interest through the NPP will be invited to submit proposals.

Mandatory Criteria

Security requirements:

Due to the sensitivity of the work:

Consultant firms capable and interested are to provide a copy of their existing and active "Facility Security Clearance accreditation" with a minimum level of SECRET and confirmation of their interest to contact by email at the electronic address listed below by no later than October 16, 2017 at 14:00 (Ottawa time).

Proposed period of contract

The proposed period of contract shall be from January to August 2018 (approximate)

File Number: B-RABAT-105
