This amendment is to answer the following questions:

Q9. As per financial terms Pg 32 (travel outside 100km will be paid only once per project). What is the alternative if there is no accommodations nearby - will the travel expenses be covered should workers need to travel back to home base or the nearest hotel?

**A9. Additional travel expenses shall be reviewed and approved in advance with the Project Authority on a project by project basis as required.**

Q10. Is a journey-person required to be on site for all projects?

**A10. Yes.**

Q11. Are superintendents required to be on all work sites?

**A11. No - only when the scale or complexity of the project dictate it.**

Q12. We pay our employees a meal allowance per day - can this be claimed rather than the amount designated by treasury board policy?

**A12. Meal allowances to be compensated at the designated Treasury Board rates.**
