---

This Solicitation Amendment 003 is raised to incorporate Addendum # 1, and the associated APPENDIX 1 (REVISED) – COMBINED PRICE FORM.

Please find following Addendum # 1, and the associated APPENDIX 1 (REVISED) – COMBINED PRICE FORM.

This APPENDIX 1 (REVISED) – COMBINED PRICE FORM supersedes any previous versions.

All other terms and conditions remain unchanged.

The following changes in the tender documents are effective immediately. This addendum will form part of the Contract documents.

## **ADDENDUM #1**

### **1. The following are responses to queries submitted during the tendering period**

- 1) Question: Depending on when the tender is awarded and how the weather progresses in Watson Lake (eg early freeze up), the construction may occur either when the lake is open-water or when it is frozen. How should the Bidder's anticipate these variable conditions?

Response: An Amendment is being posted to address this. Bidders should bid the Base Work assuming the lake is open-water conditions or nominally so. Bidders should bid the Optional Work assuming the lake is frozen conditions. Note that it is the Bidder's responsibility to account for all additional costs for working in frozen conditions in the Optional Work; no additional Change Orders will be allowed for frozen conditions. The Optional Work will be pro-rated against the equivalent lines of the Base Work; for example, if three-quarters of the drums are removed in open-water conditions and one-quarter during frozen conditions, then three-quarters of the drums will be paid under the Base Work line item and the other one-quarter under the Optional Work line item.

- 2) Question: If the Contractor does work while the lake is under frozen conditions, what thickness of ice should they assume?

Response: The Contractor is responsible for determining the ice thickness when to complete the Work under frozen conditions. Note that the Optional Work may be completed as late as 2018Feb15. The Optional Work includes the provision for additional Mobilization and Demobilization in the event that the work is commenced under open water conditions (Mobilization and Demobilization under the Base Work) and then remobilizes to the Site later when the lake is frozen (Mobilization and Demobilization under the Optional Work).

**END OF ADDENDUM #1**

## APPENDIX 1 (REVISED) - COMBINED PRICE FORM (2 pages)

- 1) The prices per unit shall govern in establishing the Total Extended Amount. Any arithmetical errors in this Appendix will be corrected by Canada.
- 2) Canada may reject the bid if any of the prices submitted do not reasonably reflect the cost of performing the part of the work to which that price applies.

### UNIT PRICE TABLE

The Unit Price Table designates Work to which a Unit Price Arrangement applies.

- (a) Work included in each item is as described in the referenced specification section.
- (b) The Price per Unit shall not include any amounts for Work that is not included in that unit price Item.

BASE WORK (A)					
	Class of Labour, Plant or Material	Unit of Measurement	Estimated Quantity (EQ)	Price per Unit applicable taxes extra (PU)	Extended amount (EQ x PU) applicable taxes extra
1.	Pre-Mobilization Submittals	Lump Sum	1		
2.	Mobilization	Lump Sum	1		
3.	Site Preparation	Lump Sum	1		
4.	Site Facilities - Provision	Lump Sum	1		
5.	Site Facilities - Operation	Week	3		
6.	Standby Time	Day	3		
7.	Contaminated Water Treatment Provision	Lump Sum	1		
8.	Contaminated Water Treatment Operation	Litres	1000		
9.	Barrel Recovery and Removal	Barrel	90		
10.	Other Associated Waste Objects	Objects	100		
11.	Transport - Contaminated Material: Hazardous / Special Waste	Tonnes	2		
12.	Transport – Waste Quality Material	Tonnes	4		
13.	Transport - Non-Contaminated Material and Waste	Tonnes	2		
14.	Disposal - Contaminated Material: Hazardous Waste /Special Waste	Tonnes	2		
15.	Disposal – Waste Quality Material	Tonnes	4		
16.	Disposal - Non-Contaminated Material and Waste	Tonnes	2		
17.	Site Restoration	Lump Sum	1		
18.	Demobilization	Lump Sum	1		
19.	Closeout Submittals	Lump Sum	1		
<b>BASE WORK: TOTAL EXTENDED AMOUNT</b> Excluding GST					

OPTIONAL WORK (B)					
	Class of Labour, Plant or Material	Unit of Measurement	Estimated Quantity (EQ)	Price per Unit applicable taxes extra (PU)	Extended amount (EQ x PU) applicable taxes extra
20.	Mobilization	Lump Sum	1		
21.	Ice Surface Based - Barrel Removal	Barrel	90		
22.	Ice Surface based - Other Associated Waste Objects	Objects	100		
23.	Demobilization	Lump Sum	1		
<b>OPTIONAL WORK: TOTAL EXTENDED AMOUNT</b> Excluding GST					

**TOTAL EVALUATED BID PRICE**

<b>A. Total Extended Amount – Base Work</b>	
<b>B. Total Extended Amount – Optional Work</b>	
<b>Total Bid Amount (A + B)</b> Excluding GST
