Solicitation Amendment No. 003 is being issued to address the following:

A) Questions and Answers

A) Questions and Answers

Q1: There are several products that require that they be "Certified by the CWB to AWS". An example would be Item 24, Flux Coated Bronze Brazing Rod. In discussion with the CWB, they do not certify this product or others to an AWS standard. Are you looking for certainty that the product is manufactured to the AWS standard? This is usually done through a Mill Test certificate. Could you clarify for us on items 13, 15, 18, 21, 22, 23, 24

A1: Products must comply with the AWS standard identified.

Q2: It is not entirely clear from the requirements in Annex "A" if the cost of shipping to CFB Borden is to be included in the product cost or separate

A2: As stated in Annex B – Basis of Payment, delivery charges (shipping) are to be included in the prices quoted.
