### **Amendment 003**

Amendment 003 is raised to:

- 1) Incorporate Addendum #1 dated October 12, 2017.

**All other terms and conditions to remain unchanged.**

**The following changes in the tender documents are effective immediately. This addendum will form part of the Contract documents.**

### **ADDENDUM #1**

Observations of the current interior conditions of the Kitsilano Coast Guard Base indicate that construction renovations are actively being conducted. All interior work has ceased until such time as the exterior building envelop has been completed. Upon completion of the exterior works the remaining interior finishes will be completed by DFO. For this tender the responsibility of the contractor is to make good as per existing condition any disturbance or alteration of the current interior finishes. If by chance there is an individually noted location where this would not be advantageous to the owner then an agreement from the owners representative is required.

**END OF ADDENDUM #1**
