Q6 – Is breakfast timing flexible – would 7:00 am to 9:00am be acceptable?

A6 – No, breakfast timing is not flexible and must be available from 0600-0900hrs.

Q7 - If a bid does not include provision of conference facility, will it still be considered responsive and evaluated?

A7 - In order to be deemed responsive, a bid must include the provisions of a conference room and meeting room as outlined in Annex A Statement of Work section 4.2. If multiple hotel properties are submitted in a single bid, the conference room and meeting room must be included in one of the hotel properties.

Q8 - Is the cost of parking to be included with the room rate? If so, how many vehicles does the client estimate will require parking for the period.

A8 - If parking is required and available, no parking fees will be charged to the resulting contract. All parking fees will be settled by a separate contract.

Q9 - If a bidder is going to propose two properties to house the entire group, with one location having the conference facility; is it acceptable to have the group buffet breakfast at one location?

A9 - Yes, however the properties must be within 400m of each other.

Q10 - Will total payment be made net 30 days after completion of the work, or will rooms be paid for via credit card upon arrival?

A10 - Payment will be made net 30 days upon completion of the work.
