Solicitation Amendment No. 02

This solicitation is hereby amended to provide the following questions and answers

Question 8. What is the expected start date for the project?

Answer 8. The expected date for the project is the first week of November 2017.

Question 9. In Section 2.5.4.1. of Annex A, it is stated that the system must comply with all DND emissions security, information security and information technology regulations. Would you be able to provide us with these regulations?

Answer 9. To reduce and simplify the "proof of concept", only civilian pattern vehicles without radios will be used to conduct the trial. All information gathered will be unclassified, but will be secured from general access.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
