This amendment (1) seeks to answer a vendor's questions.

Questions and answers

Q1: Can you indicate where the 50 sites are located? Are they across Canada?

A1: Yes, they are across Canada.

Q2: To find installers, I need to know the breakdown (in time) of the installations across the country. Can you provide me with an answer on this?

A2: It is difficult to answer this question since we don't know what type of system will be installed, but here is an approximation of the breakdown: For the Maritimes and Quebec locations, 4.25hrs. Ontario regional office would be 3.5hrs, National Capital Region 45.75hrs, Central Canada 8hrs, and Western Canada 9.25hrs. Headquarters came in at 244.25 hours but PCH electronic security technicians will be installing the panels at this location.

All other terms and conditions remain unchanged.
