This Amendment 001 to Solicitation 5000032990 is raised to address supplier inquiries as follows:

Questions & Answers 1.

Question 1.

Most of the resources mentioned in the RFP are already available online, with the exception of "A Guideline for the Best Practices to Control Releases to the Environment from the Compounding of Plastics in Canada". This resource has a "placeholder" page on the CPIA website but there is no link to the pdf. Can this document be made available prior to submitting the proposal so that we can better understand the desired deliverable that ECCC is looking for?

Answer 1.

The requested document has been attached to the NPP at Attachment 001.

Question 2.

Rated Evaluation Criteria R.1.1: Can you please clarify whether the bidder is expected to submit "Two relevant projects that pertain to one or more of the industrial sectors covered by this contract and that focus on environmental issues" [per M3] **plus** "two **[other]** studies pertaining to industrial sectors covered by this contract and clearly focusing on environmental issues where the proposed Project Manager was involved as a senior resource" [per R1.1]. It would seem to me that the requirement to list separate studies would be more applicable to [R1.2]

Answer 2.

In order to meet the mandatory requirement M3, 2 projects are required. In order to be awarded points for rated criterion R1.1 two *additional* projects are required.

Question 3.

Rated Evaluation Criteria R.2.: Can you please clarify whether each project should have a total level of effort of 100 working days (for a total of 300 working days for 3 projects)? Or can this instead be interpreted to mean 100 working days over 3 projects?

Answer 3.

Assuming that the question is referencing Rated Criteria R.1.2 then each project must have a total level of effort of at least 100 days. The total level of effort is that of the full team that was under the management of the Project Manager.

**All other terms and conditions remain the same.
The closing date remains unchanged.**
