This Solicitation Amendment No. two (2) is raised to include the following addendum no. 2.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 2.

1. SRE 3 SUBMISSION REQUIREMENTS AND EVALUATION

SRE 3.1.1 Licensing, Certification or Authorization

Replace “Nova Scotia” with “Prince Edward Island”

2. PROJECT REQUIREMENTS

In section PR 1.3.1 remove the following sentences “*At this time, one tenant, PSC, will require a fit-up designed to meet Workplace 2.0 standards, a more prescriptive approach. For PSPC, and the remaining major tenants, the fit-up will be to Activity Based Workplace standards.*”

3. QUESTIONS AND ANSWERS

Q1. Is there a budget for this project, including broad breakdown between architectural, ID, and M&E?

A1. Reference: “PR 1.4 Budget (Order of Magnitude Estimate)”

The Class ‘D’ construction cost estimate for this project is \$26,000,000 excluding HST.

A breakdown between Major systems is:

Architectural Interiors \$11,000,000

Mechanical \$9,000,000

Electrical \$6,000,000

Q2. Is it acceptable for the prime consultant-architect to submit projects and architectural personnel under the category of Interior Designer? Or is it a requirement to have these categories filled by registered Interior Designers?

A2. SRE 3.1.2 The sub-consultant - Interior Designer can be full filled by the Prime Architect or a Sub Consultant Architect.

Q3. As RS 1.2 requires Functional Programming, which is a speciality on its own, would it be acceptable for one architectural and one interior design project to be a functional programming mandate, without construction as part of the mandate?
