---

Amendment 002 is raised to for the following:

- A – To advise of the change in the SOR from supply and install to supply only
- B – To distribute the bidders' conference minutes

**A – Advise of change to SOR**

The MV Madeleine will be entering drydock for repairs during the scheduled work period. As such, the statement of requirements will be revised to a requirement for supply and delivery only. The revised SOR will be posted on Buy and Sell as soon as it becomes available.

**B – Bidders' conference minutes**

**MINUTES OF  
THE BIDDERS CONFERENCE**

**Solicitation T2012-170028/A  
MES Systems MV Madeleine**

The Bidders Conference for the MV Madeleine was convened onboard in Cap-aux-Meules, Magdalen Islands on October 25, 2017. The following persons attended:

Rachelle LaBrash	Contract Authority	PSPC
Andre Doiron	Technical Authority	TC
Steve Nowell	Technical Advisor	TC
Mark Hansen	Sales Director	Survitec Group
Luke MacDonald	Account Manager	KD Pratt

**Solicitation Closing**

The Tender will close at 2:00 P.M. local, on November 7 2017. This date may change when the amended statement of requirements is posted.

**Delivery**

The Technical Authority indicated that he would like to have delivery by February 1, 2018, however this date is subject to change and will be confirmed when the revised SOR is distributed. The location for delivery will also be confirmed in an upcoming amendment.

**Site Visit**

There are no additional site visits planned for this requirement. Bidders requiring additional information are to contact the Contract Authority.

## **Solicitation Document**

If anyone is unsure of what is required to meet the Mandatory Deliverables when putting the proposal together, please feel free to contact the Contracting Authority to discuss.

### **Specification Review:**

#### **1. Background:**

No questions or comments were raised

#### **2. Purpose of SOR:**

No questions or comments were raised

#### **3. Description of Work:**

The Technical Authority reviewed the functionality of new MES systems and accessories as stated in section 3.2.1 on page 13.

A question was raised to ask if Transport Canada would consider decreasing the davit launch capacity and increasing the MES capacity. The Technical Authority indicated that this is not an option and that the capacity will remain status quo.

#### **4. General Requirements and Standards**

The Technical Authority reiterated the importance of ensuring Lloyd's approval as per sections 4.2.1 and 4.2.2 on page 15.

#### **5. Experience**

No questions or comments were raised

#### **6. Work Plan**

No questions or comments were raised

#### **7. Supplied info + Drawings**

No questions or comments were raised

#### **8. Responsibilities of Contractor and TC**

No questions or comments were raised

#### 9. Imposed Constraints

No questions or comments were raised

#### 10. Deliverables

No questions or comments were raised

#### 11. Project Schedule

No questions or comments were raised

#### 12. Basis of Payment

No questions or comments were raised

#### 13. Continuity and Replacement of Resources

No questions or comments were raised

#### Selection Criteria

No questions or comments were raised

#### Open discussion items:

A Question was raised to ask if it is possible to submit multiple options for consideration. The Contracting Authority advised that any firm may submit multiple options, however each must be submitted as a separate and complete bid, meeting all mandatory and technical requirements.

A question was raised to ask if the MES system is required to accommodate plus-sized people and infants. The technical authority is looking into this question and a response will be provided as soon as it becomes available.

There being no other issues the meeting was adjourned at 9:30am local.

*All other terms and conditions remain unchanged*
