This Solicitation Amendment No. three (3) is raised to include the following addendum no. 3.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 3.

**1. Project Requirements (PR)**

PR 1.3.6. Consultant Access to the Site

**DELETE** "Building access will require the possession of a PSPC Reliability Status security clearance" **AND REPLACE WITH:**

"The consultant staff must be escorted and supervised by security personnel. The consultant must obtain and pay for the services of security personnel, employed by the Canadian Corps of Commissionaires, to provide security escort and supervision for consultant staff when they are inside any secure area in the Daniel J MacDonald Building during the work of this contract.

Supply sufficient Commissionaires to supervise workers at each individual work area and to perform escort functions in order that no workers are left unsupervised at any time on-site inside the building.

Commissionaire(s) must stay within the actual construction area(s) for the entire work shift, including time periods before and after while workers are still on the premises, and provide surveillance to ensure that all workers abide by security requirements and limit movement to approved work areas.

There may be times when the consultant staff can be escorted by security-cleared employees that work in the Daniel J MacDonald Building, but this service cannot be guaranteed."
