Amendment 002 is raised to publish a questions and answers as follow:

**Question 1:** We would like to request an extension for RFB# EP916-181406/A. We require more time to properly work on categories 1 & 2.

**Answer 1:** No. The timeline for the furniture acquisition is a critical element of the construction project and we cannot afford any delays

**Question 2:** Can you confirm ceiling heights for both floors

**Answer 2:** 2600mm

**Question 3:** Would it be possible for you to confirm exact locations of glazing? The CAD dwgs provided have some discrepancies and contradicting areas of where the glazing is to go. As well, there are situations where the glazing is behind a tower or between two towers.

**Answer 3:** Bid as per plan

**Question 4:** Height range for Electrical Height Adjustable tables - The SA documents Annex A, 8.5 states that the height adjustable surface must be capable of a height adjustment of 27" to 41". Our tables adjusts from 25.5" to 50.5". Is this acceptable

**Answer 4:** Your product must be have been preapproved on category 2 of the Workspace Supply Arrangement.

**Question 5:** The bid requests that each surface be supported individually (do not use double support for two surfaces, must use cantilever or c-legs). We can certainly provide cantilevers for individual surface supports. "Our system on the SA uses height adjustable post legs at the end of runs". Please advise if this is acceptable.

**Answer 5:** This is acceptable

**Question 6:** Please advise if 36"h air flow panels are required behind personal storage towers along the windows.

**Answer 6:** Yes for cabling

**Question 7:** Would it be possible for you to confirm exact locations of white board elements? Again Typical D panel shows white boards both sides but in some cases where "D" panel is shown, it doesn't seem correct?

**Answer 7:** Bid as per plan if need be changes will be done as amendment.

**Question 8:** Could you confirm locations of 36"H Air flow panels. Are these panels required against internal walls?

**Answer 8:** Yes

**All other terms and conditions are to remain unchanged.**
