

Solicitation No. EQ734-181253/A

Project No. R. 074854.001 New Gates and Barriers at Warkworth Institution, Warkworth, ON

Questions and Answers:

Question 1:

In the drawings for the new gates there are notes on drawing CSC 460-3408 for

But no spec listed... is this part of the contract..?

If so – please provide scope or further information.

Response 1: The query refers to Detail 1 on Drawing #E5. This work is in the contract. Further details are provided on Detail 2 on drawing A2, on Drawing A1, in the Detention Hardware specification section (11 19 12) and the Detention Hardware Schedule (section 11 19 12.01). To clarify "Access Control" refers to the electro-mechanical locks detailed in paragraph 2.5 in spec section 11 19 12, along with associated items such as door position indicator switch and control device specified in electrical spec section 26 29 03.
