This solicitation amendment has been raised to extend the solicitation period as follows:

**REVISED CLOSING DATE OF:
02:00 PM MST on 2017-11-15**

This amendment has also been raised to answer the following questions:

Q 1. For the durables are you only considering Epoxy or are MMA and Thermoplastic also an option?

A 1. Epoxy only

Q 2. Can you provide the product specification for the epoxy that is to be applied and the equipment requirements for the epoxy application?

A 2. Alkyd, Waterborne or epoxy paint and not waterborne epoxy.

Q 3. Is the epoxy that is to be removed, the same product that is to be applied? If not, can you provide product information on the epoxy to be removed.

A 3. All call-ups will have site visits where the contractor can determine what kind of paint that needs to be removed and the preferred method of removal.

Q 4. Can you better clarify the paint and epoxy removal equipment that is to be used? The hand machine for the 6000LM, are we to use a hand grinder? The portion to be done by a buggy, is it to be done by a common piece of equipment in the industry, a Graco GrindLazer, or by a milling machine?

A 4. The removal can be done any way that it will work, depending on the job.

All other terms and conditions remain the same.
