Amendment 7

Amendment 7 has been raised to answer the following question:

1. Will equivalent models be considered?

Yes. See solicitation amendment 3

2. Subj RFP identifies both QA "C" and QA "Q". Please advise what items require QA "C" and what items require QA "Q"?

The Contractor is responsible for implementing of QA"C" on all the items listed under Annex A Statement of Work

3. Subj RFP identifies FCA Carrier to Montreal Depot, however usually the FCA Point is "Contractor's named Place" when DND is responsible for pick-up. This precludes the transportation costs being added to the unit price. Please advise if it is DND's intent to pick-up at the Contractor's Facility and DND is responsible for shipping costs from Contractor's Facility to Montreal Depot?

Yes, DND's intent is to pick-up at the Contractor's Facility and DND is responsible for shipping costs from Contractor's Facility to Montreal Depot.

4. Are there specifications available for the Tactical VHF/Power Modules requested in the above Solicitation?

Yes, drawings are available to be sent upon the receipt of the supplier signed Confidentiality Agreement, and the controlled good certificate.

5. Can bids be submitted by Fax?

Due to the nature of the requirement bids can only be mailed to the Bid Receiving Unit at the address specified in the solicitation document.

6. Can the bid solicitation deadline be extended?

The solicitation deadline has been extended to Nov 23rd – see solicitation amendment #6.
