AMENDMENT 001

This amendment is being raised to answer the following questions.

Q: I have reviewed the RFP package and am curious if there will be an opportunity to view the site as it appears the level of effort to restore this building is extensive. Having no formal recorded documentation (noted in PR 1.3.2 Project History Synopsis) for this structure, it might be helpful to view the building in advance of bidding.

A. While no site visit was scheduled to occur, one could be arranged if sufficient interest exists. Requests for a site visit from invited firms may be addressed to the Contracting Authority named on the solicitation.

*Please submit your request in writing before close-of-business **Tuesday, November 14, 2017**. One site visit date will be provided shortly thereafter – prior to tender closing.*

Q: I am also curious if the Contracting Authority has considered replacing the building entirely as the budget could be enhanced slightly to provide a new structure, which would be far more efficient and provide a life span much greater than 15 years.

A. PWGSC and Parks Canada did consider a replacement building and decided to proceed with the major renovation.
