**The following is in response to inquiries received in relation to this solicitation. This amendment will form part of the contract documents.**

**Question 1**

- a) SRE 3.2.1 2.b) asks for “A narrative on its project management approach to working with PWGSC as applicable to this Project Brief and the National Project Management System (understanding of PWGSC management structure and National Project Management System, Client environment, standing offer process, working with the government in general).
- b) SRE 3.2.5 2.d) asks for “project management approach with PWGSC and the National Project Management System (understanding of PWGSC management structure and of the National Project Management System, Client environment, standing offer process, working with the government in general). This info is to be provided for both Hypothetical Projects.
- c) Effectively the same general information is required to be provided three times. Given the page limitation and low value of repeated information we recommend that SRE 3.2.5 2.d) be removed.

**Answer 1**

- a) SRE 3.2.1 2(b) is asking for a demonstration of the Comprehension of Scope of Services in a generic/holistic way.
- b) SRE 3.2.5 2(d) is specific to the hypothetical scenarios and the application of the phases of the National Project Management System (NPMS).
- c) Proponents are asked to provide the requesting information under SRE 3.2.5 2(d)

**Question 2**

- b) That the purpose of this section is to establish a weighted blended hourly rate for each discipline.

**Answer 2**

**Question 3**

Is it possible to extend the closing date of the Solicitation?

**Answer 3**

There will be no extension to the Solicitation Closing date.

**Question 4**

With respect to Appendix B – Price Proposal

In Appendix B - Price Proposal Form, individual price proposal tables are to be completed for each discipline.

Please confirm that the values contained in Column A of these tables (entitled Weight Factor (A)), are indeed factors and not percentages as contained in Annex D - Price Offer Summary Table. By way of example, please confirm that if the Fixed Hourly Rate for a Mechanical Partner/Principal were \$100/hr (Column B), that value should be then multiplied by 10 (and not 10%), for a result of \$1,000 (Column C - Total).

**Answer 4**

Yes. Column A are weight factors and not a percentage (%).
