Question 8:

There is a discrepancy between the pdf version of the floorplan and the AutoCAD version of the floorplan. No panel matrix is shown for panel type 5136G wing panels. (a) Please confirm which floorplan should be used when preparing the bid; and (b) if the floorplan showing the wing panels is required, please provide the panel matrix for 5136G.

Answer 8:

Please refer to the attached AUTOCAD file. No wing panels are required.
