### **Solicitation Amendment 001**

This amendment is raised to respond to proponent questions

#### **Questions and Answers**

- Q1. In Appendix C – Price Proposal Form, the position of “Principle Marine Engineer” appears for the first time. Are we to interpret that role as a defacto “Project Manager”? Or should bidders supply the names of a Project/Program Manager, a Principle Marine Engineer, and a Marine Engineer?
- A1. It is up to the Proponent to determine how they manage the project. Having the Principal Marine Engineer position assume a project management role would be acceptable to PWGSC. The Proponent should only supply hourly rates for the positions listed in Appendix C.
- Q2. Can proposed personnel be used in more than one (1) position?
- A2. Yes.
- Q3. Will PWGSC consider providing a one (1) week extension?
- A3. PWGSC is not considering an extension to the closing date this time.

**All other terms and conditions of the solicitation remain the same.**
