BIDDER QUESTIONS (Log # 5 & 6)

RCMP LASER RFSO - Solicitation No. M7594-17-3091/A - RFSO Activity Log (Log # 5 & 6)							
RFSO Reference A				Resp.	Bidder Question B	Response C	RFSO Amendment D
Q #	Part (1 to 7)	Article	Annex/ Appendi				
8				PWGSC	Would you consider extending the closing date?	The Closing Date has been extended. Please see Amendment # 004.	
9			Annex D, Appendix 2	RCMP	Would the government consider removing or revising this point system? Every specification within Appendix 1 to Annex 'D' is mandatory. There must be some of these requirement's that don't need to be mandatory. The SOW states the requirement but fails to substantiate these requirements (i.e. why does the product have to weigh >2.00kg?)	The RCMP is leaving the point rated system within the solicitation.	
			Annex D, Appendix 1	RCMP	Would the government consider changing some of the mandatory technical criteria to should from shall?	These mandatories are the operational requirements of RCMP and will remain as mandatory.	
10		6.1.2 6.1	Annex A Annex D, Appendix 1	RCMP	The Manfrotto rep also informed me that the 222 tripod head has also been discontinued. The recommended replacements are; - https://www.manfrotto.ca/light-duty-grip-ball-head; or - https://www.manfrotto.ca/light-duty-grip-ball-head-compact-and-portable. If the RCMP could please clarify which tripod (as noted above)	Please refer to Item # 1 to Amendment # 007.
