RFP Amendment No.001 is issued to:

- Address the questions received as detailed in the below table.

Questions and Answers:

Note: questions are numerically sequenced once submitted to the Contracting Authority. A question and its response will be provided via buyandsell.gc.ca as the response becomes available. Bidders are therefore advised that questions and responses may be responded to out of sequence. The following questions have been received from potential bidders. In accordance with Article 13 under 2003 Standard Instructions – Goods or Services – Competitive Requirements (2016-04-04) which has been incorporated into the RFP, and in accordance with Article 2.4 – Enquiries – Bid Solicitation - of Part 2 of the RFP, the questions and corresponding responses are provided to all bidders.

#	Question	Answer
001	Given that the resources to be recruited for this project would become procurement agents/associates for the Government of Canada, please confirm that the successful vendor would not be disqualified from participating in any future Government of Canada opportunities, due to any conflict of interest.	The successful bidder would not be disqualified from participating in future Government of Canada Solicitations as a result of this Request for Proposal.
002	Are the requested services for the above-referenced solicitation currently being provided or have they been provided previously? If so, please identify the means by which such services have been supplied (e.g., direct and or term employee, personal services contract, or contracted services through a company). If the services were contracted through a company, please provide the name of the contractor and the duration and dollar amount of the contract(s).	Please note that this solicitation is for recruitment services rather than the service of an individual. The successful bidder would provide comprehensive search services as provided in the Annex A-Statement of Work of the RFP. The services are not currently being provided to Canada.
