

QUESTIONS & ANSWERS

- Q1. Is the requirement for domestic content as stated in Section 26 41 05 (2.4) correct? Under FIT programs 1 and 2 there was a requirement for domestic content. FIT programs 3 and 4 since deleted this requirement. The cost to meet this requirement is substantial and items are difficult to source.
- A1. Please remove the domestic content requirement from the contract.
- Q2. They do not make 73 cell panels are 72 cell panels acceptable as long as they meet 340 watts?
- A2. 72 cell panels are acceptable.
