This amendment 001 to Solicitation W0117-171228/A is raised to answer questions from the industry.

**Q1.**

Mc Greggor Armoury SNIC – The shaded area is appx 0.854 hectares, but they are calling for 1.64 hectares. To get this 1.64 hectares, the residential areas should be included. Is the residential area included?

**R.1**

For this portion West of the main gate off of Whytewold/Wihuri, the contractor will be responsible for all of the brown and yellow areas inside of the green box. They are not responsible for Whytewold Ave/Wihuri Rd or the gravel portion of Silver Ave running E/W at the far bottom of the green box as they are a city responsibility.

**Q2.**

Diagram 1 – base- looking at the area shaded in green, there are area shaded with brown, from my understanding, the brown are the area needs for clearing and the Conway, Moorgate and Airforce way (shaded in green on the right hand side of the drawing).Is that right?

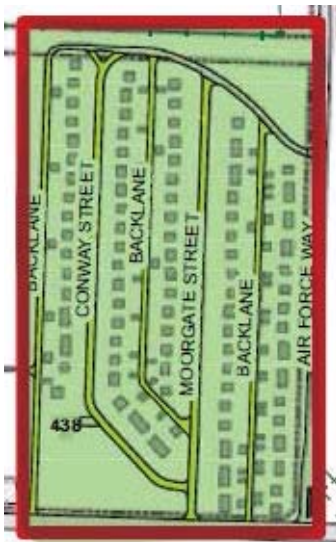

**R2.**

For this portion East of the base off of Ness Ave, the contractor is responsible for the three backlanes, Conway St, Moorgate St, and Silver Ave (unmarked connecting roads to Air Force Way. The contractor is not responsible for Air Force Way or Ness Ave.
