Annex “A” Requirements

Annex “B” Electronic Payment Instruments

PART 1 - GENERAL INFORMATION

1.1 Requirement – Bid

The requirement is detailed under Article 6.2 of the resulting contract clauses.

1.2 Debriefings

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days from receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

1.3 Trade Agreements

The requirement is subject to the provisions of the North American Free Trade Agreement (NAFTA), the Canadian-European Union Comprehensive Economic and Trade Agreement (CETA), and the Canadian Free Trade Agreement (CFTA).

PART 2 - BIDDER INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the *Standard Acquisition Clauses and Conditions Manual* (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The [2003](#) (2017-04-27) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

2.2 Canadian General Standards Board - Standards

A copy of the CGSB Standards referred to in the bid solicitation are available and may be purchased from:

Canadian General Standards Board
Place du Portage III, 6B1
11 Laurier Street
Gatineau, Québec
Telephone: (819) 956-0425 or 1-800-665-CGSB (Canada only)
Fax: (819) 956-5740
E-mail: ncr.cgsb-ongc@pwgsc-tpsgc.gc.ca

CGSB Website: <http://www.tpsgc-pwgsc.gc.ca/ongc-cgsb/index-eng.html>

2.3 Submission of Bids

Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the bid solicitation.

2.4 Enquiries - Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.5 Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in **Ontario**.

Solicitation No. - N° de l'invitation

M5000-184079/A

Client Ref. No. - N° de réf. du client

CCC No./N° CCC - FMS No./N° VME

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

PART 3 - BID PREPARATION INSTRUCTIONS

3.1 Bid Preparation Instructions

Canada requests that bidders provide their bid in separately bound sections as follows:

- Section I: Technical Bid (1 hard copy)
- Section II: Financial Bid (1 hard copy)
- Section III: Certifications (1 hard copy)

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Canada requests that Bidders follow the format instructions described below in the preparation of their bid:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Bidders should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Technical Bid

In their technical bid, Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment. The total amount of Applicable Taxes must be shown separately.

A. Unit price

The firm unit prices per litre offered must be in Canadian dollars per litre for fuel, Canadian customs duties included, Incoterms 2000 DDP Delivered Duty Paid, and must not exceed four decimal places.

All applicable delivery and offloading charges must be included in the firm unit price(s) per litre.

B. Unit Price Adjustments

Firm unit prices shown at line item detail will be subject to upward or downward adjustments, as detailed in the Basis of Payment.

C. Reference Marker

The unit prices shown at Line Item Detail are subject to adjustment using the Reference Marker price contained in the Weekly Pricing and Data Supplement as published in the "Oil Buyers' Guide" (OBG), Average Canadian Unbranded Rack Price, as detailed in the Basis of Payment.

3.1.1 Electronic Payment of Invoices – Bid

If you are willing to accept payment of invoices by Electronic Payment Instruments, complete Annex “B” Electronic Payment Instruments, to identify which ones are accepted.

If Annex “B” Electronic Payment Instruments is not completed, it will be considered as if Electronic Payment Instruments are not being accepted for payment of invoices.

Acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion

3.1.2 Exchange Rate Fluctuation

The requirement does not offer exchange rate fluctuation risk mitigation. Requests for exchange rate fluctuation risk mitigation will not be considered.

Section III: Certifications

Bidders must submit the certifications and additional information required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the bids.

4.1.1 Technical Evaluation

All bids must be completed in full and provide all of the information requested in the bid solicitation to enable full and complete evaluation.

4.1.1.1 Mandatory Technical Criteria

The Bidder must provide documentation with their bid showing how they meet the technical requirements detailed in Annex "A" Requirements.

4.1.2 Financial Evaluation

4.1.2.1 Mandatory Financial Criteria

- a) The Bidder must bid a (firm unit price(s)) in Canadian funds, Applicable Taxes excluded, DDP Delivered Duty Paid to destination(s) Incoterms 2000, Customs Duties included for each item offered; and
- b) The Bidders' financial bid must be in accordance with the Basis of Payment.

4.1.2.2 Evaluated Price

The evaluated price will be the total cost of the entire requirement. The total cost will be determined by multiplying the offered unit price per litre by number of litres then adding drum charges, and pallet charges as per the financial bid.

4.2 Basis of Selection - Multiple Items

A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive. The responsive bid with the lowest evaluated price on an aggregate basis will be recommended for award of a contract.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive, or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

The Contracting Authority will have the right to ask for additional information to verify the Bidder's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Contracting Authority will render the bid non-responsive or constitute a default under the Contract.

5.1 Certification Required with the Bid

Bidders must submit the following duly completed certifications as part of their bid.

5.1.1 Integrity Provisions - Declaration of Convicted Offences

In accordance with the Integrity Provisions of the Standard Instructions, all Bidders must provide with their bid, **if applicable**, the declaration form available on the Forms for the Integrity Regime website (<http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html>), to be given further consideration in the procurement process.

5.2 Certifications Precedent to Contract Award and Additional Information

The certifications and additional information listed below should be submitted with the bid, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the bid non-responsive.

5.2.1 Integrity Provisions – Required Documentation

In accordance with the section titled Information to be provided when bidding, contracting or entering into a real procurement agreement of the Ineligibility and Suspension Policy (<http://www.tpsgc-pwgsc.gc.ca/ciif/politique-policy-eng.html>), the Bidder must provide the required documentation, as applicable, to be given further consideration in the procurement process.

5.2.2 Federal Contractors Program for Employment Equity - Bid Certification

By submitting a bid, the Bidder certifies that the Bidder, and any of the Bidder's members if the Bidder is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list available at the bottom of the page of the website (http://www.esdc.gc.ca/en/jobs/workplace/human_rights/employment_equity/federal_contractor_program.page?&_ga=1.229006812.1158694905.1413548969).

Canada will have the right to declare a bid non-responsive if the Bidder, or any member of the Bidder if the Bidder is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of contract award.

5.2.3 Additional Certifications Precedent to Contract Award

5.2.3.1 General Environmental Criteria Certification

The Bidder must select and complete one of the following two certification statements.

- A) The Bidder certifies that the Bidder is registered or meets ISO 14001.

Bidders' Authorized Representative Signature Date

or

- B) The Bidder certifies that the Bidder meets and will continue to meet throughout the duration of the contract, a minimum of four (4) out of six (6) criteria identified in the table below.

The Bidder must indicate which four (4) criteria, as a minimum, are met.

Green Practices within the Bidders' organization	Insert a checkmark for each criterion that is met
Promotes a paperless environment through directives, procedures and/or programs	
All documents are printed double sided and in black and white for day to day business activity unless otherwise specified by your client	
Paper used for day to day business activity has a minimum of 30% recycled content and has a sustainable forestry management certification	
Utilizes environmentally preferable inks and purchase remanufactured ink cartridges or ink cartridges that can be returned to the manufacturer for reuse and recycling for day to day business activity.	
Recycling bins for paper, newsprint, plastic and aluminum containers available and emptied regularly in accordance with local recycling program.	
A minimum of 50% of office equipment has an energy efficient certification.	

Bidders' Authorized Representative Signature Date

5.2.3.2. Certificate of Conformance

The Bidder certifies herein that the products offered conform and will continue to conform to the specifications in Annex "A" - Requirement during the period of the Contract.

Signature Date

PART 6 - RESULTING CONTRACT CLAUSES

The following clauses and conditions apply to and form part of any contract resulting from the bid solicitation.

6.1 Security Requirements

6.1.1 There is no security requirement applicable to this Contract.

6.2 Requirement

The Contractor must provide the items in accordance with Appendix "A".
The product delivered by the Contractor must be in accordance with the product description, and instructions where applicable, shown at Appendix "A" for each requirement.

6.2.1 Delivery Verification

Deliveries will be verified by printed metered slips or standard commercial delivery slips as applicable.

6.2.2 Delivery Into Storage - Required Fill Nozzle

The Contractor must deliver the fuel with the proper fill nozzle. Under no circumstances is the Contractor to force the nozzle in the fill nozzle opening or fill the storage tank in any other way than through the fill nozzle opening. The Contractor must immediately contact the Project Authority for direction if there are issues with the fill nozzles and also advise the Contracting Authority.

6.2.3 Product Standard

The product(s) delivered by the Contractor must conform to the latest issue of the Canadian General Standards Board (CGSB) Standard indicated in the product description related to each requirement, shown at Annex "A".

6.2.4 Volume Corrected To 15°C

When gasoline, heating oil or diesel fuels are delivered in bulk, the quantity/volume of fuel used for invoicing purposes shall be adjusted to 15°C in accordance with API-ASTM-IP Table 54B. When a delivery is made through a flow meter, the delivery slip will be provided with the invoice.

6.2.5 Drums

It is mandatory that drums be new, unless otherwise specified.
Drummed requirements are identified in Annex "A" - Requirements.
Returnable drums will be identified by either embossing them with the company name, symbol, crest or hallmark, by a metal nameplate attached to the drum, by stencilling or by some other acceptable means.
Closures on drums shipped must be over sealed with "Tri-sure" or "Rieke" seals.

6.2.6 Pallets

Only non-returnable pallets are acceptable.

6.2.6 Certificate of Analysis (CoA)

Upon request and at time of call-up, a copy of the certificate of analysis must be provided to the Identified User Representative at the delivery point

6.3 Standard Clauses and Conditions

All clauses and conditions identified in the Contract by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual (<https://buyandsell.gc.ca/policy-and->

guidelines/standard-acquisition-clauses-and-conditions-manual) issued by Public Works and Government Services Canada.

6.3.1 General Conditions

2010A (2016-04-04) General Conditions - Goods (Medium Complexity), apply to and form part of the Contract.

6.4 Term of Contract

6.4.1 Delivery Date

All the deliverables must be received **on or before March 31, 2018** (Winter Road access permitting).

6.4.2 Adherence to Delivery Schedule

The contractor will promptly give notice to the Contracting Authority of its inability to meet the contract delivery schedule and will request therein an extension of time stating its proposed revised delivery schedule and offering consideration for such revisions. Until such notice is received and the revised delivery schedule agreed to by the Department of Public Works and Government Services, the Minister may, pursuant to the General Conditions, on the business day following the due date of delivery of any outstanding materials, **terminate the whole or part of the contract for default.**

6.6 Inspection and Acceptance

The goods provided must be subject to inspection and acceptance by the consignee at destination.

5.8 Shipping Instructions - DDP

Goods must be consigned and delivered to the destination specified in the contract: Incoterms 2000 "DDP Delivered Duty Paid" to the location as shown at Annex "A" delivery and offloading charges included.

6.5 Authorities

6.5.1 Contracting Authority

The Contracting Authority for the Contract is:

Ann Lacelle

Public Works and Government Services Canada
Acquisitions Branch, Commercial Acquisition & Supply Management Sector
Logistics, Electrical, Fuel & Transportation Directorate
Fuel & Construction Products Division (HL)
11 Laurier Street, 7A2, Place du Portage, Phase III
Gatineau, QC K1A 0S5
Telephone: 873-469-3350 Facsimile: 819-956-5227
E-mail address: ann.lacelle@tpsgc-pwgsc.gc.ca

The Contracting Authority is responsible for the management of the Contract and any changes to the Contract must be authorized in writing by the Contracting Authority. The Contractor must not perform work in excess of or outside the scope of the Contract based on verbal or written requests or instructions from anybody other than the Contracting Authority.

6.5.2 Project Authority

The Project Authority for the Contract is:
(TO BE PROVIDED AT CONTRACT AWARD)

The Project Authority is the representative of the department or agency for whom the Work is being carried out under the Contract and is responsible for all matters concerning the technical content of the Work under the Contract. Technical matters may be discussed with the Project Authority, however the Project Authority has no authority to authorize changes to the scope of the Work. Changes to the scope of the Work can only be made through a contract amendment issued by the Contracting Authority.

6.5.2 Contractor's Representative

Name and telephone number of the person responsible for :

	General Enquiries	Delivery Follow-up
Name:	_____	_____
Telephone No.:	_____	_____
Facsimile No.:	_____	_____
E-mail address:	_____	_____

6.6 Payment

6.6.1 Basis of Payment - Firm Unit Price(s)

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid a firm unit price(s), DDP to destination, as specified in the in Annex "A" for an **estimated** cost of \$ _____ CAD (*insert the amount at contract award*). Customs duties are included, and Applicable Taxes are extra.

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

6.6.2 Basis for Unit Price Adjustments

Unit prices as shown at Line Item Detail will be subject to upward or downward adjustment using the Average Canadian Unbranded Rack Price for Winnipeg, in the Weekly Pricing and Data Supplement as published in the "Oil Buyers' Guide" (OBG), using Reference Markers as follows:

- a) For Automotive Gasoline, Grade 2: "Mid Unl"
- b) For Heating Oil, Type 1: "Stove"
- c) For Diesel Fuel - Type A: "ULSD No.1"

6.6.3 Unit Prices/Taxes

The firm unit prices offered in the Line Item Detail, *exclude* all taxes or levies that may be or are imposed on the sale of petroleum products pursuant to any federal or provincial statute or regulation or territorial ordinance. However, where the Contractor is required by federal or provincial statute or regulation or territorial ordinance to collect from Canada, taxes or levies, as a result of the sale of the product to Canada, except as otherwise provided in the Contract, Canada will pay to the Contractor an amount equal to such tax or levy where applicable and substantiated by invoice.

6.6.4 Method of Calculating Unit Price Per Litre Adjustments

An adjustment to the firm unit prices per litre in the Line Item Detail will be calculated as indicated hereunder.

The adjustment to the unit price will be equal to the applicable OBG Reference Marker price for the week ending on the **Friday just prior to the truck loading date at origin** minus the applicable Reference Marker price for the week ending **December 1, 2017**, plus the bid price.

If no Reference Marker "Oil Buyers' Guide" (OBG) Weekly Pricing and Data Supplement is published on a given Friday, then the Weekly Pricing and Data Supplement published immediately prior will apply.

The contractor shall provide a copy of the loading receipt, or another document acceptable to PWGSC, as proof of the truck loading date.

6.6.5 Reference Marker Price

In their bid, the Bidder must quote their unit price per litre using the following Reference Marker price for **December 1, 2017**, expressed in Canadian dollars per litre:

December 1, 2017 values, "Oil Buyer's Guide" (OBG):

<u>DESIGNATED CENTRE:</u> Winnipeg	
PRODUCT	VALUE
Mid Unl	\$0.6910
ULSD No.1	\$0.8390
Stove	\$0.8390

6.6.6 Revision of Reference Marker

In the event that:

- A) the applicable Reference Marker is discontinued; or
 - B) Public Works and Government Services Canada determines that the Reference Marker does not reflect market conditions;
- the parties will mutually agree upon an appropriate and comparable substitute and the Contract will be modified to reflect such substitute on a mutually agreed upon date.

6.6.7 Terms of Payment

SACC Manual clause H1001C (2008-05-12) Multiple Payments

6.7 Invoicing Instructions

The Contractor must submit invoices in accordance with the information required in Section 10 of 2010A, General Conditions - Goods (Medium Complexity). One (1) copy must be forwarded to the Invoicing Office listed in Annex "A" – Requirements, and one (1) copy must be forwarded to the Contracting Authority identified under the section entitled "Authorities" of the Contract.

6.8 Certifications

6.8.1 Compliance

The continuous compliance with the certifications provided by the Contractor in its bid and the ongoing cooperation in providing additional information are conditions of the Contract. Certifications are subject to verification by Canada during the entire period of the Contract. If the Contractor does not comply with any certification, fails to provide the additional information, or if it is determined that any certification made by the Contractor in its bid is untrue, whether made knowingly or unknowingly, Canada has the right, pursuant to the default provision of the Contract, to terminate the Contract for default.

6.9 Applicable Laws

The Contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in _____.

6.10 Priority of Documents

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

- (a) the Articles of Agreement;
- (b) the General Conditions 2010A (2016-04-04) Goods (Medium Complexity);
- (d) Annex "A"- Requirements;
- (e) the Contractor's bid dated _____ (*insert date of bid*) (*If the bid was clarified or amended, insert at the time of contract award: "*, as clarified on _____ **or** *", as amended on _____" and insert date(s) of clarification(s) or amendment(s)*)

6.11 SACC Manual Clauses

The following terms and conditions are incorporated herein

SACC Reference	Section	Date
