This amendment 010 is raised to modify solicitation EW702-173131/B as follows:

1. Questions and Answers

Question 73: We noticed a discrepancy with the submittal schedule as presented in the Specification. Section 01 33 00 SUBMITAL PROCEDURES has a different submittal schedule than the applicable section that details each submittal (i.e. Environmental Protection Plan (EPP) is presented in the Section 01 33 00 SUBMITAL PRODUCEDUES as "Draft fifteen (15) days after contract award, final seven (7) days prior to commencing on-Site Work" BUT Section 01 35 43 ENVIRONMENTAL PROCUEDURES states "draft Environmental Protection Plan (EPP) to Departmental Representative for review thirty (30) days after the contract award date...". This is the case for a number of other submittals (i.e. Arsenic Medical Monitoring Plan, Quality Control Plan, Construction Facility Plan, etc.).

Additionally, the SUBMITAL PROCEDURES state a deadline of 15 days after contract award, but other sections referring to the same submittal indicate 15 working days (i.e. project schedule). Can you please clarify if you want working days or calendar days for all deadlines?

Answer 73: Refer to ATT004 for the updated Schedule of Submittals Table 01 33 00-1. The dates in attached Table 01 33 00-1 will take precedence over the due dates within each Section of the Specification. The affected sections of the Specification will be amended and provided to the successful contractor after contract award.

Question 74: Are any companies under Section IV - INAC Contracts Supporting the Regulatory Process of the Giant Mine Procurement Outlook conflicted from participating in this tender?

Answer 74: Yes; SRK Consulting Canada Inc. and Robertson Geoconsultants Inc. are both in a position of conflict with this tender.

2. Changes to Solicitation Document

INSERT: SRE Section 3, Point Rated Criteria

An evaluation team (PWGSC Evaluation Board) composed of representatives of Canada and a third party representative will evaluate the bids.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
