(A) Respond to question regarding the RFP

(A) QUESTIONS

| Question / Answer # | QUESTION | ANSWER |
|---------------------|--|---|
| QA69 | Regarding answer 22 in amendment #002, it is our understanding that the consultant is required to produce documentation and contract administration for the soil remediation. Does this include on site verification and direction by the consultants? | No site verification is required for soils remediation. Site verification of soils remediation will be completed by the CM's testing and inspection specialist. |
| QA70 | Regarding amendment #003, to QA37 No cash allowance will be applied. Please clarify that the \$6.5 million construction budget will include costs for the following; <ul style="list-style-type: none"> - Site remediation and demolition. - Supply and installation of BCC. - Fire suppression and emergency generator. - Relocation of the existing communications tower from existing detachment. | The \$6.5M budget includes all construction and fit up costs including the items noted within this question. The only exception to the \$6.5M budget are the CM's fees. |
| QA71 | Are the consultants responsible for the design of the infrastructure wiring to support LAN systems, security and CCTV? | Yes the consultants are responsible for the design of the infrastructure wiring to support LAN systems, security and CCTV. |
