This amendment 001 is raised to provide a response to a supplier enquiry. The question and response are provided as follows:

=====  
**Question:** Regarding the referenced call for tenders, your customer indicates 2 types of cables (item 1 & 2) only one type of connector (item 3); could you check with your customer that only .4 inch cable to a request for connectors?

**Response:** No. The 0.9" cables are assemblies of cables and connectors (Item 2). The 0.4" cables are not assemblies (Item 1). The connectors for the 0.4" cables are separate (Item 3).

=====  
**Question:** Are there any design cds for these cables?

**Response:** No.

=====  
**Question:** Regarding the tender of Coaxial Cables and Coaxial Connectors (W7714-186562/A), the Velocity of Propagation of 85% is so high and usually a 70 % rate is an acceptable value for this kind of cables and their applications. Would you please let us know if Velocity of Propagation of 70-75% is acceptable?

**Response:** No. Cable lengths will be variable and we want to minimize the number of 2pi ambiguities.

=====  
**Question:** Annex A, para. 3.2, what is meant by "Opeconnectors"?

**Response:** This is a typo. It should read as "Connectors".

=====  
**Question:** Annex A, para. 3.2, is the cable to be connectorized at both ends prior to shipping?

**Response:** Yes.

=====  
**Question:** What are your delivery requirements? Is the cable being delivered all at once or will it be a staggered delivery?

**Response:** Multiple deliveries are satisfactory. Deliver as much as possible by 31 March 2018.

=====  
**Question:** 6.4.1 Delivery Date, Please clarify what is meant by this line item?

**Response:** Delivery is requested for March 31, 2018 however the supplier must provide the best delivery that they are capable of within their bid package.

=====  
**Question:** 6.6 Payment, what are your payment terms?

**Response:** Payment terms are net 30 days.

=====

All clauses and conditions remain unchanged.
