

An aerial photograph of the Norman Wells industrial site and wharves. The image shows a long, narrow strip of land along a river or coastline. In the foreground, there are several large white storage tanks and a smaller orange tank. A road runs along the length of the site. In the background, there is a large body of water and a distant shoreline with hills. Two text boxes are overlaid on the image, pointing to specific wharves.

This is the DFO wharf.

This is the PWGSC wharf.
