AMENDMENT 001

This amendment is raised for question clarification.

Question 1:

Annex H – H.3.4.5 FIRST NATIONS ASSISTANT

Since First Nations rates (and expenses) are set by individual First Nations, and these vary significantly across BC and YT, can PWGSC please clarify how you want us to respond to this? Are we expected to set an hourly rate that takes into account this variation and then we will be held to this hourly rate regardless of actual cost to us? Or should we provide an estimated rate, but the actual rate will be allowed to change depending on the project location and First Nations involved?

Answer 1:

Consultants are expected to set an hourly rate that takes into account this variation and then will be held to that hourly rate.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
