**Title: Overhead Crane and Runway**

**Solicitation Amendment No. 005**

This solicitation is hereby amended to:

**1. Extend closing date**

**From:** 2018-01-15

**To:** 2018-01-17

**2. Provide the following question and answer:**

**Q8: Reference Solicitation Amendment 004 (Q3. and A3.)**

**If the supplier of the system have to do the disconnect, breaker, conduit and wiring etc.; we will require the distance (dimensions) from the 600V and or the 208V panels to where the crane will be attached or located on the floor.**

**We will also require the existing panel and breaker name and number from where the crane will be powered from. If at all possible a site visit for this would also be very appreciated and informative. Please advise.**

A8: The nearest panel is approx. 38 feet to where the electrical box is hooked up for the current crane. The breaker is labelled "Breaker PA". If the two (2) suppliers that attended the Mandatory Site Visit would like to view the panel, please call Michael Peters (506) 422-3534 to setup a time to see the panel before the solicitation closing date and time. No questions will be answered during this visit.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
