QUESTIONS AND ANSWERS

Q 1: On page 10 of Section 4.1.1.2.1, Subsection (j) it asks to demonstrate how the team intends to meet the timing requirements defined in Section 8.0 of the Required Services, however there is no Section 8.0 in the Required Services. Please explain the timing requirements or identify the correct Section in the RFP.

A 1: Section 4.1.1.2.1, Subsection (j) – should refer to RS 1.4.

Delete Section 4.1.1.2.1, Subsection (j) how the team intends to meet the 'Project Response Time Requirements' defined in Section 8.0 of the Required Services.

Replace with: Section 4.1.1.2.1, Subsection (j) how the team intends to meet the 'Project Response Time Requirements' defined in Section RS 1.4 of the Required Services

Q 2: Under RS 2.1.7 of Annex A – Required Services, it is identified that the Consultant must provide all training certificates. Are these to be provided with the RFP submission or can they be provided upon award of the work. If they are to be provided with the RFP submission, are they to be included in with the Certifications and not be part of the 40 page allowance of the Technical Submission?

A 2: The team that is presented in the bidder's submission should have the appropriate training and certificates, however; training certificates are not required to be submitted with the bidder's submission. The training certificates will be required to be provided upon award of work.

By submission of its tender, the Tenderer confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Tender Amount.

All other terms & conditions remain unchanged.
