QUESTIONS AND ANSWERS

Q.1 - 4.1.1.2.4 Project Personnel Expertise and Experience For demonstrating the offeror has the minimum 15 and maximum of 20 personnel, is it required to **submit all 15-20 personnel's CV** in Section I of the offer? Can one technician/technologists CV be submitted with a paragraph explaining that a technologist with similar expertise and experience will be on site instead of the technologist whose CV is submitted?

A.1 - The consultants team must include the 15 to 20 individual personnel and the CVs for each team member must be provided. Team members cannot be identified under multiple categories. Personnel CVs must show that the individuals meet the qualifications of the category they are identified and only these personnel shall be considered as part of the team submission for the RFSO.

Q.2 - RS 1.4 Project Time Requirements (Page 33 of 49) It is a requirement of all projects undertaken pursuant to this Request for Standing Offer that the prime consultant and its purposed sub-consultants shall be personally available to attend meetings and respond to inquiries within 4 hours of the Project Authority's request, in the locality of the place of the work, from the date of call-up until completion of the project. For these meetings, will the whole core team need to be present or can phone conferencing take place?

A.2 - The whole core team does not need to be physically present, they just have to be available via phone, telepresence, etc. to attend meetings or respond to inquiries within the 4 hours of the Project Authorities request.

By submission of its tender, the Tenderer confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Tender Amount.

All other terms & conditions remain unchanged.
